Welcome back to all our Seahawks Families, we hope you all had a well deserved break and an enjoyable Christmas and new year and are getting pumped to get back into Footy very soon.

We look forward to getting back into the swing of a full season, with no Covid related interruptions (fingers crossed)

We welcome onboard a new sponsor VA Technic.

We are pleased to announce that VA Technic have joined forces with the Brighton Seahawks as a major sponsor

The team at VA Technic have worked within the Volkswagen Audi Group (VAG) for over 20 years and have now felt the need to offer their expertise and technical knowledge to their very own Volkswagen, Audi, Skoda & Porsche customers at a much lower price point than the dealer.

Priding themselves on their knowledge, honesty, customer service and integrity when it comes to maintaining, servicing or improving your vehicle. Their brand new workshop is conveniently located in Osborne Park and we use the very latest in VAG Diagnostics to understand your vehicle.

Thanks to our new sponsor **VA Technic**, we are proud to announce that our Year 10 boys team will be receiving a brand new set of playing guernseys this year.

Lee, Tony and Jamie have coached and managed this boys team for 5+ years and this year become the longest running team and oldest boys team in the Brighton Seahawks lineup.

Well done Team, we look forward to seeing you sporting your new guernseys out on the field this year.

Don't forget to mention you are a Seahawks Member when you purchase anything at **Butler Rebel**. Every purchase you make gives a kickback to the club for us to purchase equipment throughout the Season.

The **Landing at Alkimos** has also partnered with our club, mention you are member and 10% of your spend goes towards functions for us to hold events with them during the season. Seahawks kids also get a free dessert!

FUNDRAISING UPDATES

REMEMBER TO COLLECT THOSE CANS AND BOTTLES!

You can do your bit for your football club by collecting cans and bottles and recycling them at any can collection place.

You can have the refund transferred directly to the Seahawks by entering the scheme code C10373534 at the deposit station.

Since Boxing Day, members of our committee have been collecting recyclable containers from members of our local community and we have raised over \$200 so far.

Imagine how much we could raise if every family exchanges their recyclables to help the club you love.

These funds will go directly to our players in ways of merchandise, equipment, fees, trophy's, end of year events. Without fundraising, our club would not be possible.
